1. REPORT INTRODUCTION AND OVERVIEW

This report aligns with the Strategic Plan for Woodlands Conference AY Projects Committee, which prioritizes financial sustainability through three focal areas:

- Assisting individual members in financial growth (improving financial literacy, identifying funding sources).
- Encouraging church/district managed business ventures (encourage projects ventures and help in identifying funding sources).
- Continuing with already existing conference-managed initiatives and Launching new initiatives (revenue generation for AY programs).

2. PLANNED ACTIVITIES VERSUS ACTUAL: ACHIEVEMENTS AND CHALLENGES

PLANNED ACTIVITIES

- Carwash Project for the conference.
- Sale of AYM Uniform Accessories

ACHIEVEMENTS

The sale of WCAY Uniform Accessories for the previous Investiture ceremony

Sales Summary:

	SCARVES	PATCHES	PINS	MEDALS SYL	MEDALS MGM
	SYL			Silver	Gold

Pathfinders	72	91	166	4	

CHALLENGES

Delay in operationalizing the car wash business: The officers from Lusaka City Council inspected the proposed venue for the car wash. Unfortunately, it was discovered that it is not on council land. The land belongs to ZESCO. As a result, the Town Clerk could not proccess the permit.

3. POSSIBLE REMEDY TO CHALLENGES

To Continue looking for free and available council land around Lusaka district, where the car wash business can be established. Members of the conference are encouraged to bring to our attention when you notice any available land.

4. RELEVANT UPDATES, KEY SUMMARY REPORT TAKEAWAYS, UPCOMING EVENTS

- ❖ The Projects committee is proposing to buy farm land of not less than 10 hectares, using part of the seed funds which was donated by the Republican President of Zambia.
- ❖ Carwash to be established as soon as we find free land and when the permission is granted by Lusaka City Council.
